says Mrs. Sylvania Woods, of Clinton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill."

I wish every suffering woman would give

a trial. I still use Cardui when I feel a little bad, and it always does me good."

Headache, backache, side ache, nervousness, tired, worn-out feelings, etc., are sure signs of womanly trouble. Signs that you need Cardui, the woman's tonic. You cannot make a mistake in trying Cardui for your trouble. It has been helping weak, ailing women for more than fifty years.

**Get a Bottle Today!****Hot Water Each Morning  
Puts Roses in Your Cheeks**

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes so the food and drink taken each day leaves in the alimentary organs, a certain amount of indigestible material, which, if not eliminated, forms toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink pure drinking water, arising from the water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the system.

alimentary tract, before putting more food into the stomach. Girls and women with yellow skins, liver troubles, pimples or miliary complexion, also those who wake up with a coated tongue, and taste, nasty breath, others who are bothered with headaches, bilious spells, and constipation, should begin this phosphate hot water drinking, and are assured of very pronounced results in one or two weeks. A quarter pound of limestone phosphate costs very little at the drug store, but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood while the bowel pores do. Women who desire to enhance the beauty of their complexion should take this for a week and notice results. Advertisement.

**INTERESTING LETTER  
HAS BEEN RECEIVED****From Friend in Mexico And Deals  
With Some of Existing  
Conditions**

Miss Jayne Garlington has received a very interesting letter from an old friend of hers who is now living in Mexico and who is suffering from the hardships which have been brought about by the various internal troubles there for the past few years. Her letter gives some idea of conditions there and is in part as follows:

"You will have been informed by the daily press of your country of the existing circumstances prevailing throughout this republic for the last five years. Things have come to such an extent that even living is a hardship, this regardless absolute lack of guarantees for one's life; in fact we are only entrusted to God's care in and out of our homes. However, we hope to get rid of this situation some time during the present century."

"As regards myself and family, while we are enjoying good health for the time being, I regret that we are unable to buy anything besides grub."

The letter then deals with the purchasing of a few articles of clothing, which in United States money is \$50 for one in United States coin, the above would amount to \$307.50! One will see from the above that it is as to be in Mexican money to buy even the necessities of life. A number of the women's societies in parts of the country and churches have aided Miss Garlington in raising some funds for her friend in Mexico.

**GOOD SAGE TEA IN  
HAIR TO DARKEN IT****It's Grandmother's Recipe to  
Keep Her Locks Dark,  
Glossy, Beautiful.**

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair, is grandmother's recipe, and is again using it to keep their hair a good, even color, which is quite valuable, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mossy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound is that it does beautifully darkening the hair, after a few applications it also produces that soft lustre and appearance of abundance which is so attractive. This ready-to-use preparation is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the very initiation or prevention of disease.

**FAMILY WEIGHS OVER A TON.**  
Honey's 10 Children Overweigh Him on Birthday Party.

Although Daniel Honey, 77 years old, was the program for the main attraction at his birthday celebration here today, he evidently did not attract so much attention as did his seven sons and three daughters, whose combined weight is 2,100 pounds. The men particularly are heavy, one weighing about 250 pounds. These are blacksmiths as was the father before he retired a few years ago and the others give their attention to farming. The daughters are married, but live in this vicinity.

The 10 children are among the 65 immediate relatives of Mr. Honey who attended the celebration.

**G. T. WILLIAMS IS  
TO BE A CANDIDATE****For The Office of County Superintendent of Education—  
Is Blind****G. T. WILLIAMS.**

In this issue of The Intelligencer appears a card from Mr. G. T. Williams announcing his candidacy for the position of superintendent of education of Anderson county. Mr. Williams is a brother of Deputy Sheriff Jim Williams.

Mr. Williams is a young man of excellent habits. He is blind but assures the public that this will not hamper him in the work. Mr. Williams has used the typewriter successfully for years, and is also able to sign his name very well. If any one desires to see Mr. Williams sign his name, he kindly asks that the request be made during the campaign, as he will be in every part of the county.

Mr. Williams was educated at our institution for the blind and says that he has studied industry and music along with literary work. "My friends know," says Mr. Williams, "that I have contemplated asking for this office for four years and during that time I have become absolutely familiar with our system of education." Mr. Williams asks the people to support him in the coming election and by putting his very best efforts into the work, the schools will receive benefit from his election.

**SANG LIKE FROG AT DAWN****Rebson Kansas Family Disposed of  
Pet Alligator.**

(Topeka Dispatch.) Because after five years as a pet of the family, the alligator of Mrs. Elmer Forbes of north of the city, insisted on standing up on its hind feet in the Forbes yard at 4 o'clock in the morning and singing like a frog Mrs. Forbes gave the amphibian to the Gage Park zoo.

The alligator was brought here from Florida, five years ago by the Forbes family. During the summer it was given the run of the yard. It is only recently, however, that the pet has turned to its nocturnal vocalizing for amusement. And the tune it carried got on the nerves of the Forbes family.

**SAYS ON THIRD DAY  
PAIN WAS RELIEVED****MRS. R. M. SMITH DECLARES  
HER TROUBLES  
FLED TREATMENT****SUFFERED THREE YEARS****She Tells of Remarkable Relief  
Two Bottle of Tanlac Gave  
—Says It is Wonderful**

"Three days after I began taking Tanlac, one of my most distressing ailments had been completely relieved, though I had suffered with this trouble for three years and had failed to find relief," declared Mrs. R. M. Smith, of 13 Broadway St., Columbia, in a statement she recently made to the Tanlac representative in which she gave unusually liberal praise to "the Master Medicine."

Continuing Mrs. Smith said: "I suffered from a very bad form of indigestion, I had no appetite, and had lost considerable weight. I lacked energy, and I felt listless almost all the time. I would tire easily. Each morning I would be so sore in the pit of my stomach I could hardly breathe, so keen was the pain breathing caused. I sure suffered a great deal. I did not dare to eat supper, for if I did, I would suffer severely during the night and next morning. My stomach had been in bad shape for three years and I had had this trouble severely for about nine (9) months, great quantities of gas formed on my stomach, and gave me a great deal of pain."

"Another symptom which caused me much pain and which worried me a great deal was frequent pains around my heart. I had been almost constantly under treatment, but I failed to find relief until I began taking Tanlac."

"After the third day I took Tanlac, I have not been troubled with that pain in the pit of my stomach in the morning. My appetite is good now, and I am much stronger and I feel better in every way. I sleep well at night and I wake up feeling stronger and refreshed. My system has been greatly built up and strengthened by the Tanlac."

"One thing which Tanlac did for me and which pleased me so much is that it relieved and strengthened so much that I can now eat a hearty supper and not suffer afterwards. I have taken now almost two bottles of Tanlac."

"Tanalac certainly has worked a small wonder in my case and the relief it gave me seems all the more remarkable for I had been almost constantly under treatment since these troubles of mine started, and had failed to gain relief. Tanlac is simply wonderful. I can and do strongly recommend it."

Tanalac, the Master Medicine, is sold exclusively in Anderson by Dr. and Mrs. Pharmacy, two stores—Ady.
